

My, my...

What a
mess.

It's just a
shame...

...that your
efforts were
in vain.

But hey man,
you just keep
trying.

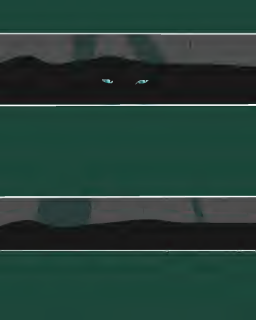

Don't give
up yet, ok
Nikhil?

I need someone
to play the role of

the target, after
all

Is this
seat taken?

No, help yourself

Uuugggahhhhh...

Rough day?

You have
no idea.

Wait...

...Do I
know you?

No?

'Would you
like to?

I - uh ...

...wouldn't
mind...

...yes.

What'll it
be?

Chardonnay?

Ah, yes.
How did you
know...?

*We roleplay as
strangers after work
to spice things up
in the bedroom.*

*Hey man, I
have to ask: y'all
meet here every day
and pretend not to
know eachother -*

Thank you...

*Jeez, forget
I asked. Carry
on.*

So, look -

I'm usually not
this forward, but would
you like to have a drink
back at my place?

I would
love to,

O - ok,
let me get
my purse.

- and my
brother is this
genius -

...do you want
to go in and
look?

No, those types
of clothes don't

...and it's not
suit me.

Oh? I
bet they
would,
though.

Here we are,
take a seat on the
couch and I'll get
the wine.

Here you
go.

Excuse the mess,
my brother leaves
his research around.

I actually have
a question...

...Oh?

...Can I kiss
you?

Bedroom?

Shay.

*The Council
is waiting for us.*

Shay, come on -

Look at me -

*Let us be
going, then*

I'm worried about
my brother.

He hasn't been
the same since Mum
died

Now he's either always in his room, the lab, or the woods, working on something.

He thinks that I don't know that he sneaks out every night. But I do, and I worry.

Do you have

*He's not in
his room...?*

...or get help
anyone that you
wish you could just
take their burdens from,
to calm their mind?

Yes.

But they'd
probably still hate

me anyway.

...found you.
